OK, I've added the other facilities. The "2. Unilateral Orders" folder is now in the "_SAFOs_Final\" folder.

Hi Zach,
I added three folders and a file to the shared folder. Are you able to access them?
The key spreadsheets are:
Exhibit A from the unilateral order:
2. Unilateral Orders\GasTransmissionNW_13\SCR 051721 DEQ modified.xlsx
Note: this is the same as 18-0096 GTN #13\12) DEQ analysis\SCR 051721 DEQ modified.xlsx
DEQ is preparing an updated unilateral order to correct some typos and update the cost calcs slightly. The current draft of those newest DEQ cost calcs is here:
18-0096 GTN #13\15) hearing prep\SCR 051721 DEQ modified with adjusted ammonia.xlsx
I included the "09-0084 GTN #12" folder as background, because early in the process we were talking mostly about #12, but those conversations later also became relevant to #13.

Hedgpeth, Zach shared a folder with you

Joe, here's the shared folder. After the email authentication step, you should be able to copy/paste into the folder. Let me know if you run into any issues.

Thanks,
Zach
